

FBA Referral Program

Refer an Amazon seller to One Way Fulfillment.
Earn a credit on your invoice.

What you earn for each seller you refer

Based on the seller's average monthly units over their first two months with us.

SELLER'S AVERAGE MONTHLY UNITS	INVOICE CREDIT
1,000 to 5,000 units / month	\$750
5,001 to 15,000 units / month	\$2,000
15,001 to 30,000 units / month	\$4,000
30,001+ units / month	\$7,500

How it works

- Once your referral has been with us for two full months, we take their average units per month.
- That average sets your tier, and we apply the credit to your next One Way invoice.
